

# Precision Songs ASSESSMENT SYSTEM

## A Simple Incremental Way of Tracking Student Progress

As pressure rises for teachers and clinicians to show measurable progress and defend their methodology, Precision Songs offers an assessment system that clearly graphs student progress. It also helps foster student independence and gives quick feedback to adjust teaching methods so student language knowledge and usage does not stall.

**500+ LESSONS**  
that take students from singing to speaking. 9 levels for customizing student response.

Use our online to create assignment sheets, collect simple data, and have Precision Songs system automatically graph progress on clearly defined goals!

 When AE listens to "Categories", track 2, AE says:

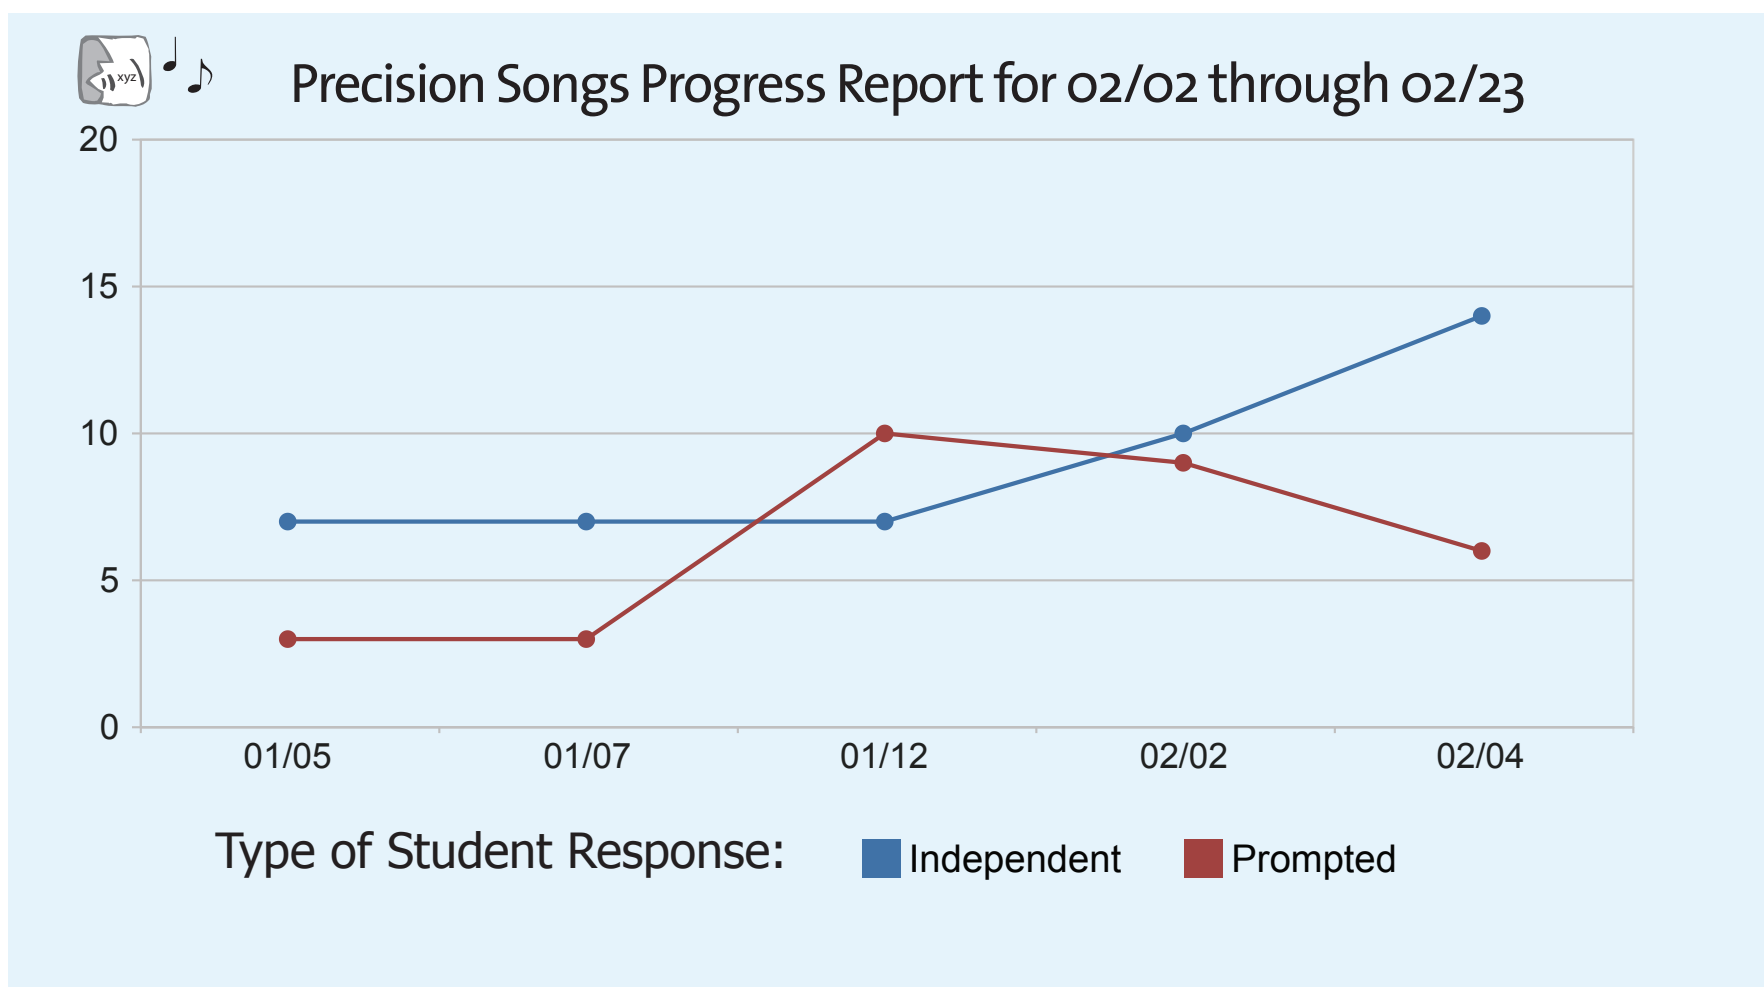

"food" to fill in the first blank.	"clothes" to fill in the second blank.	"letters" to fill in the third blank.	"animals" to fill in the fourth blank.	"numbers" to fill in the fifth blank.
1 X P I 2 X P I 3 X P I 4 X P I 5 X P I 6 X P I	1 X P I 2 X P I 3 X P I 4 X P I 5 X P I 6 X P I	1 X P I 2 X P I 3 X P I 4 X P I 5 X P I 6 X P I	1 X P I 2 X P I 3 X P I 4 X P I 5 X P I 6 X P I	1 X P I 2 X P I 3 X P I 4 X P I 5 X P I 6 X P I
"toys" to fill in the sixth blank.	"instruments" to fill in the seventh blank.	"shapes" to fill in the eighth blank.
